I have knowledge and experience in multiple fields from personal experience. These include:

Networking

Ubuntu

CentOS 8

MySQL

PHP 7.\*

Apache2

Web development/design

And many more, just email me at logandag11@outlook.com if you have any questions on any of these personal experiences/skills. My skills listed below are mainly all personal, I have learned a lot from them and plan to learn a lot more about them.

I am looking for a part time job for these times and I plan to attend college this coming Spring.

Authorized to work in the US for any employer
